Oakwood High School: Weekly Briefing 12

Dear Parent / Carer

It's been quite a week, at a national level. We have had set out for us all the government's 'roadmap' and the next few weeks will see the lockdown lessen to a significant degree. The government has indicated that schools will reopen in a more 'normal' way from September. We are awaiting guidance from the government and then we will set out our plans. It is likely that we will have to write to you over the summer break, with precise details of those plans. As always, we will give as much notice as possible and will always follow the government's and Public-Health England's advice.

Thank you to all those parents and carers who have completed our recent surveys. We value your opinions and views and we will respond to your thoughts in our planning for the next stage of reconnecting with our pupils. As we discussed last week, it is our intention to offer all pupils in Years 7, 8 and 9 at least two face to face experiences, before the end of term. This is in addition to our Year 10 lessons and the Key Worker and Vulnerable Learner provision. Please see below for all the details.

We also set out in this letter some important information for Year 11 pupils and how they will receive their examination results this year. It has been wonderful to see so many of our Year 11 pupils in this week, sorting their iPads and lockers. We haven't said goodbye to them yet but that time is very near.

As we've said repeatedly and to reassure you all, the school's leadership team have been working through all the relevant guidance and advice. We continue to be mindful of the need to make sure the school is a place which minimises the potential for the virus to spread, whilst being realistic in that we cannot make a school a place where there are no interactions. Inevitably has meant shorter days, much less social interaction and a continuation of home learning, for much of the time. As a consequence, there have been some significant changes made to how we manage the school building and we have been able to comfortably manage our Year 10 pupils; alongside the continued provision for the children of key workers and our vulnerable children.

As in the past few weeks, much of this letter is now familiar. Again, we have highlighted anything new in blue.

Access to school

The government has reissued its guidance for parents and carers following the announcements of recent days and weeks. You can find that guidance by following this link.

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

Should there have been some changes to your personal, domestic or work circumstances and your child qualifies to access schooling; that is, they are defined as vulnerable or either parents is a key / essential worker - please follow this link to register your child. The school is open 8am-4pm Monday – Friday for those children who are eligible. We will be insisting that all children accessing this provision are in school for our core hours 9am-2pm and wear the basic school uniform (school trousers / skirt, white shirt and plain black shoes), from Monday 15 June.

A member of the Inspire Trust

If you feel you qualify and would like to access this provision, please email attendance@oakwood.ac with your enquiry and request.

Year 10

We have now completed our first couple of weeks of our directed provision for Year 10. Again, we have seen around 70% of our pupils return at some point during the week. Pupils and staff have enjoyed the interactions and have gained significant value from being able to support learning face to face, in the traditional school environment. This provision will now run until the end of the 'usual' school year and we look forward to seeing increasing number of pupils. Should you have any questions, queries or concerns about the Year 10 return strategy then please do not hesitate to make contact with your child's tutor.

Years 7-9

Last week we indicated our aspiration to provide some face to face sessions for pupils in Years 7 to 9. Thank you for your feedback via the parental survey. You will have had a letter sent home about this provision, but in summary...

From Monday 29 June we will be inviting two year groups in at a time to meet with their tutor. The aim of the sessions will be:

1. to provide the opportunity to reconnect with school,
2. rebuild relationships
3. establish routines around safety in the building (hand cleaning and movement, both of which are most likely to still be a part of life in school in September)
4. assess where they are with their home learning and provide ongoing support

The pupils will come in from 1.15pm to 3.10pm, a House group each day and two year groups at a time. as outlined below.

Week/Day	Monday	Tuesday	Wednesday	Thursday
House	Keppel	Hooper	Wentworth	Boston
WC 29.6.20	Years 7 and 9			
WC 6.7.20	Years 8 and 9			
WC 13.7.20	Years 7 and 8			

To ensure you are all comfortable with our approach we reattach the school's video, which sets out our approach to ensuring that building is a safe place to learn. [Covid Secure School - Video](#)

In addition to this face to face support with home learning, we are offering a remote face to face meeting for pupils and parents in Years 7 to 10. This will be with your child's tutor, at a time convenient to both parties. We ask that you complete the Google form. Your child's tutor will then arrange a conversation and we'll send you an Intouch message to confirm the details.

It will not be mandatory for parents to take up this offer but we would support and encourage parents and children to talk to their tutor prior to the summer break. We want to ensure that we have a good picture of where the children are at, both emotionally and educationally and we believe we will then be in a stronger position to support them in September. If you would like to take up this opportunity, please follow the link below by Wednesday 1st July at 3.30pm. This will allow us to organise appointments for the last two weeks before the summer break.

[Click here to book online parent, pupil and tutor appointment](#)

Year 11

We now turn our minds to the summer examination results. In our ongoing endeavours to remain a safe and secure school building we have taken the decision to post out all examination results this year. We have agreed with the Royal Mail a package which will ensure that those results are delivered by 1pm Thursday 20 August. This approach will allow us to ensure that inappropriate interactions are avoided by keeping all pupils and a staff away from the building on that day. We know that you will welcome that approach.

The pupil's examinations results are GUARANTEED to be delivered by 1pm on Thursday 20 August. The service will require a signature from the named person on the envelope - which will be the pupil (not parent or other family member).

We need to ensure we have the correct address for every Year 11 pupil. You will receive a message to this effect early next week. We will use the address we have on our systems, if you move home or will be on holiday on this day, please could you email n.moorhouse@oakwood.ac as soon as possible with the details.

You can check that we have the correct address for you by logging onto GO 4 Schools. The address is the 5th row down in the '**At a glance**' section at the top: Here is an example:

At a glance

Attendance	100.00%
Registration group	K-AGR (Mr A Grant,Mr B Liversidge)
Positive behaviour points	224
Negative behaviour points	-4
Additional Pupil Details : Pupil Address	12 Oakwood High Road, Rotherham, S60 2BB"

There will be a small team of staff working in school on Thursday 20th August and Friday 21st August to support pupils with Post 16 transition. Queries will be handled over the phone or by booking a one to one appointment in school, if this is required.

Home Learning

We would like to thank parents and carers for the support you are giving with home learning. It is clear that this will continue for some time to come. Please encourage your child to fully engage in the work being set by their teachers. As you know we have adjusted our approach as the weeks have passed. Any comments on how things are going are always welcome. Please direct them to your child's tutor who will pass them on. Can we take this opportunity to remind you that all of the pupils' instructions for home learning will be set on Go4Schools? For parents / carers, as well as for the children, support is available via email; through class teachers and tutors. It's worth remembering that teachers spend many years training and developing their craft, so please don't be too hard on yourself if you cannot help your child directly.

There are now lots of resources being put online and pushed by the government. Take care using these. We don't want to over burden our children and we, as a school, are setting the appropriate and correct work for all of our children.

We reattach some new guidance and resources from government. Please follow the link.

[Online education resources for home learning](#)

The use of the internet, during these unusual times, has in many ways been a great help and comfort. It has helped us all stay connected with work, school and most importantly friends and family. However, there are also risks associated with internet use and it is important you know where you can go to get support to help keep your child safe online? – please guidance below.

Again, this week, we ask that parents and carers check pupil devices regularly and ensure that your son / daughter knows how to connect to Google Drive, Google Classroom, can access school emails and that they are using the device safely. It is important to remember that all the work sent can be accessed from any device; be that home computer, laptop or smartphone; and pupils should find an alternative

method for accessing work if their school device fails. Pupils can access their work via the school's website (oakwood.ac).

Should a pupil break or have malfunction on their device the procedure is:

- Pupils can continue to **access all Oakwood learning systems on any device** by logging on to **classroom.google.com** with their **@oakwood.ac** email address and usual password.
- If the device really isn't working or is damaged the pupil should contact their tutor, in the first instance, and we will arrange for the pupil to drop into school, for their device to be left in reception, repaired and returned.
- If a pupil wants support in using Google Classroom or department specific systems, they should email their PLT who can support them in the use of this.
- If a pupil locks their account or forgets their password, you should ring the school reception (8am-4pm). We will log a helpdesk call and our IT team will look into this and we will respond when we know the best way forward.

Safeguarding and Welfare

Despite the contact with some Year 10 pupils and our emerging plans for other year groups, it may well be that pupils are feeling a dislocation from school. Can we ask that all parents and carers keep a close eye on their child and please do not hesitate to seek support if it is needed. We re-set out some Safeguarding guidance below. The NSPCC have updated their support for parents, this can be found by following the link below.

<https://learning.nspcc.org.uk/news/2020/april/supporting-children-young-people-mental-health>

In addition, the government have published further support, help and advice. This can be found by following this link.

[Extra mental health support for pupils and teachers](#)

Your child regularly receives an email with tips to support their physical and mental wellbeing and help them look after themselves. To keep this letter more manageable we have brought all the safeguarding and welfare information together in one place – please guidance below.

And finally...

We will continue to update you as and when the situation changes, be that nationally or locally. For now, please heed the government's directions; stay safe, stay healthy and stay connected.

As always, should you have any questions about the situation and Oakwood's response to any change in circumstances, please make direct contact with Mr Eccles c.eccles@oakwood.ac or Mr Naisbitt d.naisbitt@oakwood.ac

Thank you for your continued support and understanding during these uncertain times

Yours faithfully

Oakwood High School Closure – protocols	
--	--

Pupils / Parents

Updated 17th April 2020

During a period of closure Oakwood High School will continue to set work for all pupils. We would expect that work to be completed, in line with teacher instructions.

We set out some important notes for pupils and parents to consider:

Protocols for working

Teachers will be setting work

To ensure greater consistency and clarity between teachers, pupils and parents, all home learning tasks will be set on Go4Schools from Monday 20th April. On Go4Schools, parents and pupils should easily be able to see:

- year group
- subject
- week number of home-learning (Week 3 from 20th April)
- tasks and where specifically to find them
- a reasonable deadline for completion
- how the task will be monitored
- an email address for pupils or parents to contact for support if it is needed

If you do not have a Go4Schools log-in, please contact Ms Moorhouse, n.moorhouse@oakwood.ac

These are unprecedented times and we've never had to manage a situation like this before. We are learning all the time. As a consequence of having listened to pupil and parent feedback you will find that many of the tasks have been simplified and streamlined. Those tasks can be found on Google Classroom. In addition, we are making use of the on-line educational platforms, such as Mathswatch and Seneca. The location of the tasks will be clearly stated in the instructions on Go4Schools.

Our expectations

It is important that you know that all staff understand that closure of the building does not prevent learning from continuing. All pupils and parents must understand that we will do all that we can to minimise the impact closure may have on pupils and, equally, pupils will have an obligation to complete the work set by their teachers.

The main method of communicating tasks will be Go4Schools. Further communication, such as, teacher support or feedback will be through Google Classroom and email. Go4Schools, emails and Google Classroom should be checked at the start of each 'normal' school day.

Teachers will endeavour to answer pupil / parental emails in a timely manner. Teachers will expect work to be returned by the deadline set and that work will be checked. Pupils will receive feedback and pupils are expected to complete any set 'Closing the Gap' activities.

Any missing work will be followed up by the teacher and a new deadline will be set. If this second deadline isn't met, the pupils' PLTs will make contact with home to check that the pupil is OK and to check if any further support is required. The PLT will then set a third deadline. Any further communications about incomplete home learning will be carried out by the pupils' Heads of House.

Answering pupil to staff emails will be our priority.

**Oakwood High School
Closure – protocols
Pupils / Parents
Updated 17th April 2020**

Expectations of Y11

Oakwood teachers will continue to send tasks to their Y11 pupils and to reassure them that we are still here to offer support. Y11 pupils are not obligated to complete the tasks unless the teachers specify that the work is essential and necessary.

We are working very closely with Thomas Rotherham College, in preparation for the new academic year, please look out for 'bridging' tasks that will help prepare our Y11 pupils for the next stage of their educational journey. To ensure they can start the courses of their choice, the 'bridging' tasks will be essential and necessary.

Emails

Emails to staff should have a clear header and be polite and professional. For pupil and teacher well-being, pupils should send the work at a reasonable time. We understand that our pupils work better at different times of the day, so any work that needs to be sent after 8pm, should be sent via 'schedule send' for the following day. It is important that parents continue to monitor their children's internet and screen-time and that pupils can differentiate between using their devices for leisure and learning; just because pupils are on their devices, it does not mean that they are doing school work.

And finally

Any information about the school, closure, teaching and learning will be communicated through Oakwood email and the school's website. Do not trust or rely on other sources (for example, Facebook or Snapchat rumours) for information.

Online grooming/ radicalisation - Parent/guardian information and support

We recognise that this is a difficult time for parents and guardians and that the Coronavirus is having a significant impact on young people and families across the world.

The closure of schools means that opportunities for children to talk to and play with friends will be limited to online interaction. This will almost certainly lead to children spending more time online. Parents working from home may not be able to monitor their children's use of devices as they usually would.

Unfortunately, whilst rare, there are negative influencers and online groomers who use the internet, social media and online gaming to spread their extreme ideas, which children can be exposed to. Some of these ideas may be considered radical or extreme and when a person starts to support or be involved in them, this is called radicalisation. Domestic Abuse: support and guidance

Updated 1 May

Support for families experiencing domestic abuse

It has been widely reported in the press that incidents of domestic abuse have risen during the lockdown period. It is important that everyone feels safe in their homes and knows where to seek support if they are concerned about their own or someone else's safety.

- Domestic abuse against anyone is unacceptable and we all have the right to live your life free from fear, violence and abuse. It can happen to anyone regardless of age, race, class, culture, disability, sexuality or lifestyle.
- The household isolation, as a result of coronavirus, does not apply if you need to leave your home to escape domestic abuse. Police and other support services are still available to help anyone experiencing domestic abuse; including coercion.
- Domestic abuse is not a one-off incident, but an ongoing pattern of behaviour in the relationship. It includes a range of behaviours which, once begun, can repeat and often gets worse over time. Anyone can be a victim regardless of age, gender, ethnicity or sexual orientation.
- Witnessing and experiencing domestic abuse can have a serious impact on a child's long-term health. It is a priority that vulnerable children and young people remain safe during this uncertain period. If you are concerned that a child is at risk of harm, you should refer this information to children's social care or to the police - if you believe the child is in immediate danger.
- Children may experience: Low self-esteem, increased levels of anxiety, depression, anger and fear, aggressive and violent behaviours, lack of empathy for others, poor peer relationships, poor school performance, anti-social-behaviour, self-blame, hopelessness, shame and apathy, post-traumatic stress disorder, be over-protective of the victim.
- If you believe a child is suffering you should report concerns. The right support needs to be offered to the child and their parents or carers.
- To report a child safeguarding concern, contact 01709 336080 24-hour.
- Call the Police on 999 if a child is suffering abuse and requires urgent attention.
- Victims of domestic abuse in South Yorkshire will now be able to report incidents to South Yorkshire Police via a dedicated online web portal.
- [Click here](#) to visit the online reporting tool. The portal is available to victims of domestic abuse who may be finding it difficult to report incidents over the phone.

Apna Haq: 07824 767170 / apnahaq1@gmail.com

- Apna Haq provides confidential, one to one support, for Asian women and their children, who are experiencing violence in the home.
- They are involved in inter-agency case working allowing them to help Asian women via social services, the police and other agencies, as well as being sought out by these agencies to help Asian women in distress.

Guidance for Key Workers and parents of identified vulnerable pupil groups

Oakwood High School will be open Monday to Friday 8.00am and 4.00pm during the current Coronavirus crisis to support identified Key Workers and children who are in an identified vulnerable group (EHCP pupils and those families working with Social Care).

The school will be open between 8.00am and 4.00pm, there will be no meal facilities, so parents must provide a packed lunch. We will be insisting that all children accessing this provision are in school for our core hours 9am-2pm and wear the basic school uniform (school trousers / skirt, white shirt and plain black shoes), from Monday 15 June.

During the day, children will be supervised to complete work that will be remotely set by their class teachers.

Key (or Critical) Worker Groups can be found at:
