

# Blended Learning Hacks

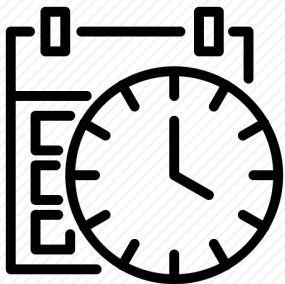

Turn off or  
move  
distractions  
away.

As engaging as  
your teachers  
are, this is a  
lesson not a  
Netflix show, so  
participate and  
listen.

Respond to  
teacher  
feedback.

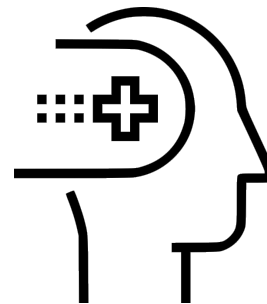

If possible, find a  
quiet place to  
work. Follow your  
lessons & breaks  
at the usual  
times.

Check your  
emails &  
Classroom.

Ask questions  
or participate in  
discussions by  
un-muting  
yourself.

Look after your  
mental  
well-being. We  
are here if you  
need us. Make  
contact.
