

Teacher sets sensible deadline/ invites to lesson via Meet.
Teacher expectations met?

Yes

Where appropriate, commend in your class feedback and/ or give positive logs.

No

Teachers sends a supportive whole class email (copies in PLT and ARC/ EAL link member of staff where relevant) praising participation/ work completion of majority and asking if any support is required for others; sets a new deadline/ sends Meet link for next lesson .
Teacher expectation met?

Yes

No

At least weekly, PLT checks tutees' logs using extra 20 mins a day; ARC and EAL will check the logs of their linked pupils. For 2+ "has not engaged with subject blended learning" logs. PLT or ARC/EAL colleagues contact home, again, starting with a positive message to check everything is OK, logs "Contact with home" (you can write one log for multiple pupils), emails class teacher (if necessary).
PLT/ ARC/ EAL Team expectations met?

Teacher logs "has not engaged with subject blended learning" and writes the specific details (you can write one log for multiple pupils).

Yes

No

PLT or ARC/EAL Team logs under "Failed to comply with class-teacher/ PLT sanctions" with details. This is seen by HoH who contacts home to find a solution. HoH logs "HoH contact with home" and adds the outcome/support*.

Any concerns about pupils or their lack of communication should be immediately added to CPOMs.
*HoH will decide on the most appropriate course of action, this could include, paper copies being posted, a home visit is required, a minimum amount of engagement in selected subjects...
