

Dear Parent/Carer

We are pleased to announce the launch of our interactive web-based system to parents/carers. GO 4 Schools is everything you need in one place and, crucially, the real-time information can be accessed 24/7 on a smart phone, tablet or laptop.

**Key features and benefits for parents and pupils:**

- 24/7 access to **today's** information about your children's education, including target grades and attendance statistics.
- Real-time, subject-specific assessment information with formative assessment and access to course descriptions.
- Real-time behaviour information.
- Access to progress reports online, either as a web page or as a PDF document which can be printed at home. The school can track which parents have viewed their child's latest reports.
- Access to the daily or weekly timetable online.
- Parents can electronically notify the school of changes to their contact details.
- Parents and pupils can re-set their own log in details as often as they wish without contacting school.
- Parents can support their child's independent learning with a clear view of homework set, due dates and homework content.

Your child's page is constantly updated, providing you with the latest information.

To access the site, please go to [www.go4schools.com](http://www.go4schools.com) , in the top right corner click on login then parents login.

To request a password for GO 4 Schools, please enter your email address into the 'First-time User' field and click 'Please send me a password'. An email will appear in your inbox from GO 4 Schools, click on the link in the email to set your password. You will then be able to log into the site and view your child's page.

The email address you enter into this field must be the one we have registered on your child's record in school. If you have since updated your email address and need to notify school please email [n.moorhouse@oakwood.ac](mailto:n.moorhouse@oakwood.ac)

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

GO 4 Schools gives you the option to re-set and manage your log in details without the need to contact school.

## How does GO 4 Schools improve Parental Engagement?

### Homework

Any homework tasks that are due in the next 7 days will be shown in the 'Ongoing and Recent Homework Tasks' area. This area shows the date the homework task is due, the subject, the title of the task as well a guide to the amount of time the task will take and when it was set.

If you would like to see historic homework tasks, then you can click on the link to 'View a Full List of Homework Tasks'.

Your child will no longer be required to have separate records of homework, they will use GO 4 Schools as a personal record as it is updated by their teachers. They can keep track of the homework they have completed by adding a tick in the box on screen.

## Detailed Progress

This table shows the grades being achieved by your child in each subject. All topics and assignments are listed here and updated marks will appear throughout the year. The colour coding settings within the system allows you to see how your child is working compared to their target grades. The grades and marks appear in real-time as they are entered by the teachers after each test has taken place.

## Assessment Reports

Your child's assessment report will be available for viewing on GO 4 Schools three times a year; instant notification will be sent as they become available. You can access the report by clicking the 'View report' link at the bottom of your child's progress report. You can then also download and print copies of the reports which will be available for the whole of the year. GO 4 schools allows us to notify parents who haven't viewed their child's report.
