

YEAR 11 NEWSLETTER

OCTOBER 2023 of the Portwennell Town Parish

Y11 Logo Competition

Before the Summer, we asked Year 11 pupils to help us design a new logo as they move from a house identity to a year group identity in their final year.

Mr Grant and I were very impressed with the amount of entries we received and the high quality designs which were put forward.

Well done to Macy B who won the competition and our two runners up: Robin B and Jayden H. We hope you enjoy your prizes.

Y11 Revision Workshop

On Monday 2nd October we are running a revision workshop for parents and pupils to attend.

For those who can't attend, the workshop will run again on Tutor Review Day and we will make the resources available online.

Y11 Charity of the Year

At the start of September, Year 11 were asked to vote for the charity they would like to fund raise for this year. They choose Cancer Research UK. 80% of what we raise as a year group will go to this very worthy cause with 20% going towards the end of year Prom.
